**NOTICE TO MARINERS.**  
Notice is hereby given that the combination gas and bell buoy, established for experimental purposes off Romer Shoals, Light Station, New York Lower Bay, has been brought in for repairs. By Order of the Lighthouse Board. B. H. O.  
**MARINE NOTES.**  
The fishing schooner Kestrel, from New Haven, Conn., for Norfolk, fouled her anchor at 2 o'clock Tuesday morning and drifted ashore near Lewes, Del. She was floated by the Lewes lifesaving crew without damage.  
The schooner Jennie Hall, before reported wrecked at Dam Neck, N. C., while bound from Trinidad to Baltimore with a cargo of asphalt, has gone to pieces.  
The big four-masted steel ship Astral, built by Arthur Severn & Co., Bath, Me., has been launched. The Astral will be the first of the Standard Oil Co.'s fleet of sailing ships to fly the American flag. She will be commanded by Captain J. W. Denham, of Salem, Mass., formerly master of the ship Paramita. The Astral will ply between New York, Japan and China, carrying oil to the foreign ports and returning with hemp and sugar.  
The tug Ocean King and barges Roundout and Astoria, which stranded on the Eastern Shore nine miles north of Cape Charles Monday, were still ashore yesterday. The tug M. E. Luckenbach left Tuesday morning to work on the Ocean King and barges, but found them too far from deep water to render any assistance and returned to Norfolk Tuesday night. Further arrangements are being made for floating the tug and barges.  
The cargo of lumber of the schooner N. H. Skinner, which went ashore on the Delaware coast last week after she had left Norfolk several days, where she had just finished her repairs, has been saved. The hull and material of the schooner will be sold today.  
The Cuban bark Danila, bound from Havana to Delaware Breakwater, put into port Tuesday for provisions.  
The Santuit, of the Norfolk and West India Fruit and Steamship Company, yesterday discharged a cargo of Jamaica fruit, oranges, bananas and coconuts at the S. A. L. piers, Portsmouth.  
In the "People's Forum" will be found communication from Capt. James Campbell, master of the schooner Frank Leming, denying that he boarded the Leming and made an attempt to take charge of her after she had been libeled.  
**SCHOONER FLOATED.**  
Lewes, Dec. 26.—The schooner J. Howell Leeds, beached at Assateague, Va., has been pumped out, leak stopped and vessel floated. She lighted about 100 tons of cargo. The schooner will proceed to Norfolk early tomorrow morning.  
**CANAL CLOSED FOR WINTER.**  
The Delaware and Raritan canal has been closed until next spring. The tug Lookout, which arrived here yesterday, cut a channel through the ice for several vessels caught in the canal and assisted them to Philadelphia; otherwise they would have been kept there all winter.

**WHAT A DREADED THING IT IS** to wake up in the night suffering from cholera morbus, and yet cases of this kind are very common. The trouble, however, will never become serious if you keep a bottle of FAIN-KILLER at hand, for it is a remedy that never fails to cure cholera, cramps, diarrhoea or dysentery. Avoid substitutes, there is but one Fain-Killer, Perry Davis', Price 25c. and 50c.
